Director, Commission Secretariat  
Planning Assessment Commission  
Level 3, 201 Elizabeth Street  
SYDNEY NSW 2000

We request the following information under the *Government Information (Public Access) Act (GIPA Act)*:

- The diary of David McNamara, Director of the Planning Assessment Commission from 29 May to date.
- Any record of contact, including meeting notes and calendar entries, between the Planning and Assessment Commission members or staff and Santos Ltd or its related entities from 1 January 2017 to date.
- Any record of any request or direction from the Minister for Planning (or his representative) to the Planning Assessment Commission regarding the Narrabri Gas Project.
- Any record of meetings or communications between the Planning Assessment Commission and any third party regarding the Narrabri Gas Project from 1 January 2017 to date.

I enclose the application fee of \$30 for this request.

We request that the Planning Assessment Commission waive any processing charges for this application in accordance with section 127 of the GIPA Act.

In the alternative, we ask that any fees associated be reduced by 50% pursuant to section 66 of the GIPA Act. This section provides that processing charges may be reduced where there is a special public benefit to the general public. There is clearly a special benefit to the public in disclosure of information relating to the procedures and meetings of the independent Planning Assessment Commission, including in relation to a high impact project like the Narrabri Gas Project, in relation to which some 23,000 submissions were lodged.

We request a fee waiver or 50%.

If this request needs any clarification, I can be contacted on 0437 405 932

sincerely

Georgina Woods
