

# East Liverpool Progress Association

Public Meeting Monday December 11th 2017 @ 7.30PM at  
Seton Recreation Centre Heathcote Road Moorebank -

Convenor : Michael Byrne [REDACTED] : President – ELPA

## **Agenda Item 1 - Moorebank Intermodal**

**Notice of Motion 1:** That we citizens of East Liverpool seek a public inquiry through Parliamentary Processes of the origins and succeeding actions of corporations, consultancies, governments and their public service in the promotion, proposing and associated planning of the Moorebank Intermodal for it to advance so far as a promoted national infrastructure project, with attached Tax Loss Incentives and Government Grants, Government Statutory Body Loans, without evidence of an objective, measured, and fully costed evaluation of the site's suitability along with the absence of any published proper and purposeful alternative site analysis. **Notice of Motion 2:** That we citizens of East Liverpool request of the Planning Assessment Commission in its current assessment and approvals process for the Moorebank Intermodal proposals to act in a manner in accordance with its rules to have the final decision made by the NSW Minister for Planning.
