

Ms Lynelle Briggs AO  
Chairperson  
Planning Assessment Commission  
GPO Box 3415  
SYDNEY NSW 2001

Dear Ms Briggs

*Lynelle*

Please find enclosed the Department's assessment report and recommended conditions of consent for the proposed waste recycling and transfer facility at 52 Anderson Road, Smeaton Grange (SSD 7424).

The development application is required to be determined by the Planning Assessment Commission (the Commission) as 155 public submissions in the nature of objections were received and the local Council has objected to the application, consistent with the Ministers delegation of 14 September 2011.

Should the Commission have any further enquiries about this matter, I have arranged for Mr Chris Ritchie – Director Industry Assessments, to assist. Mr Ritchie can be contacted on telephone number (02) 9274 6413.

Yours sincerely

*Marcus Ray*
